Dear All

I am writing to you all to let you know that as from January, 2011 we are proposing to improve our system of collecting subscriptions which will also include providing new music within the cost of the fee.

In order to meet our current running costs, we are proposing to collect fees quarterly and at the same time increase the fees to the equivalent of £4.00 per week - £52.00 per quarter to include all new music. If you prefer to pay weekly, the fee will be £5.00, EXCLUSIVE of music.

The reason for the increase is that we meet each week regardless of individual attendance, and therefore the running costs have to be covered on a weekly basis. If people are prepared to pay the increased fee quarterly up front, we can include new music. However for anyone who wishes to pay weekly, music will come at the additional cost.

Since our numbers have increased, the new system will make it much easier for us to handle the collection of subs and enable us to purchase books in advance. There will be a simple register on arrival, and new music will be given to you at this time if you pay quarterly, and will be on sale if you pay weekly.

The proposed date for starting the new system will be the first week in January 2011. Please would you complete the form below, and let me have it back, along with any questions and comments on this or any other aspect of our choir.

Yours sincerely

Louise Russell
