Subscriptions for Wednesday Night Choir

Weekly Subs: £ 3.00

Quarterly Subs: £27.50

Holidays

We tend to have about 6 weeks off a year Christmas /Easter 4 weeks + 4 weeks occasional breaks over the year for MD personal events and holidays

Membership Card Proposal

We have now introduced a Membership Card and that will be issued upon receipt of your joining fee

Subs Decision – New proposal pay £2.50 for 44 weeks

In order not to go through the discussion process and turmoil again it has been suggested that we adjust the quarterly payment to work on a 44 week year as this will give **quarterly payers a £22 saving** over the year.

- Quarterly Option

- £27.50 x 4 = **£110**

- Weekly Option

- £3.00 x 44 weeks = **£132**

Subs Decision – problem with current quarterly proposal paying £2.50 for 52 weeks

The website suggests that we have up to 8 weeks off a year

The *cost advantage* is only £2 per year when paying quarterly.

On this basis it would be cheaper for people to pay the weekly £3.00 especially as no member is likely to be able to attend all 44 sessions due to hols or illness

- Quarterly Option

- £32.50 x 4 weeks = **£130**

- Weekly Option

- £3.00 x 44 weeks = **£132**

Please let me know if this meets with your approval – otherwise, if I don't hear back from you I will presume you accept this more favourable adjustment.

Regards

Louise Russell
